## Description

---

**The Abus WBA100C is a great wall or floor anchor and is ideal for bikes, motorcycles, caravans, ladders, generators, ect. This Abus WBA100 is easy to fit and comes with all the fixings to complete the job, now you have the peace of mind your property is safer from theft, This WBA100C is made from high quality hardened steel with a huge anchor ring welded to the base, that is held down by 4 raw type bolts and then topped of with ball bearings to fill the Allen key hole so the bolt cannot be undone. The Abus WBA100C has a black plastic weather cover to finish the job off, this is held in place by 2 hex security screws just another deterrent that will make live more difficult for thieves. Ideal for inside garages, outside on walls, concrete drives, paths or just set into wet concrete for a quick and easy option without tools.**
