Description

The Cardiff Bike Shelter was designed from the ground up to be the best value for money sheltered bike parking on the market. Not compromising on construction quality the frame is fabricated from box section steel tube for rigidity and longevity. This shelter is floor fixed and free standing, using Sheffield Bike Stands for maximum security bike parking.

Standard version is legs and roof only with polycarbonate roof, please call for corrugated sheets, side and rear cladding is available as an optional extra as well secure gated versions. If you would like a quote for a gated shelter please get in touch.
