

Cycle Security Enclosure

£4,426.80

Excl. VAT: £3,689.00

Product Images

Description

This bike shelter can help contribute towards gaining ENE8 Cycle storage credits when used in the appropriate situation under the Code for Sustainable Homes. Mild steel shelter with bolt-down fixing. The shelter is available in a galvanised or polyester powder-coated RAL code colour finish. Meshed side panels for added security. Comes with galvanised bike stands for secure and easy to use cycle parking.

Options:

This bike security enclosure can be ordered in 10 or 20 bike space versions. It comes with several options for finish - powder-coated, hot-dipped galvanised, or both hot-dipped galvanised and powder-coated in the colour of your choice. The enclosure can be manufactured with gates with a closing strut and with LED lighting. Furthermore, you can improve your security by selecting one of our security options - coded padlock, lock and key or a swipe card system.

Specification:

- Optional galvanised bike stands
- Includes assembly bolts, expanding foundation bolts for concrete plinth and arrangement drawing for assembly
- No crawl under perimeter
- Complies with secure storage as required by the Code for Sustainable Homes.
- 50mm box tube
- Hot dipped galvanised or polyester powder coated to BS EN ISO 1461:1999 standard finish, available in any RAL colour
- Cycle Shelter comes with adjustable overground fixing feet
- Optional built-in LED lighting for extra security at night
- Optional gate closing gas strut for securely closed door at users enter and exit
